### THE ESSENCE

**Elsa Léger** is a French singer-songwriter with international ambitions, whose music explores the paradoxes of the human soul.

Her universe blends dark alternative rock, black glamour, and a strong cinematic aesthetic.

*"Die A Little : If life dictates the rhythm, then risk is the melody.."*

A high-level UK collaboration.

### THE « DIE A LITTLE » VIDEO (SOUTH AFRICA)

Filmed entirely in **Cape Town** (one of the world's most spectacular backdrops), the video is a highly cinematic work that tells a story of desire, burning passion, and ephemeral love. Airplanes symbolize the coveted partner, revealing the risk one must take to live.

The production is unique: it was created with the **AIR.Tech** team and the ultra-experienced pilots of the **Marksmen** Team from Cape Town. The project is supported by sponsors **LEATT** (extreme sports brand) and **NEWORDER** Group (cutting-edge cybersecurity).

*"This project shows that one must sometimes follow one's instinct to make the best decisions despite the consequences."*
